1 Inez Morin arrived at 8:05pm making the total number of Board members present to be ten (10).
2 Pres. Moscoso pointed out the typo error on page 2 of the Minutes to correct date from May 18, to read May 16, 2013 in paragraph #6.
3 The secretary is instructed to compose a letter which Mr. Kanan can use to help garner assistance from surrounding Neighborhood Councils. See page 4, item #13 on these Minutes.
Officer Vasquez, our SLO, arrived later but her comments are being inserted at this place in the agenda at 7:10pm. She spoke about the presence of 7-Eleven convenience stores in our NC area, and focused on the proposed store for the corner of 7955 Laurel Canyon Boulevard at Strathern Street. Officer Vasquez said that per crimes reported there was only one reported in the past five years at 7955 Laurel Canyon in the Foothill Division.

**Item #9 on the Agenda--Committee Reports**

\(^4\) CPAB means Community Police Advisory Board

\(^5\) Attendance chart beginning with the October 2012 Election through May 16, 2013.
OUTREACH--Florence Dorick reported (for Chair Judy Harris) that the Information Table for the Air Show on June 29, 2013, from 9am to 4pm at Hanson Dam is on schedule. Board members need to sign up for the one or two hours that they can work at the event. She passed around a sign-up sheet. Florence also indicated that thirty-six (36) of the new banners are ready to be displayed in the Council area. Jeffrey Garner demonstrated the two replacement banners for the PARTNERS IN THE COMMUNITY for the Julie Korenstein Elementary School, and for the Camellia Elementary School. President Moscoso, said that as we are approaching the end of the school year that we should wait until school resumes to deliver the replacement banners.6

COMMUNICATIONS--Chair Ben Moore passed around to the Board two graphics that can be used elsewhere in the NC System to serve as a link to our NC Website. Jon Tanury spoke for the property owners about how the owners, BY RIGHT, can construct whatever they wish, but that our stated Conditions will not apply if the CUP is denied. He also said that safety and agreements with the police requirement would not apply. Specifically, he said that the LAPD rules will not be supported.

Stakeholder, Maggie Adrian, from the Strathern Neighborhood WATCH spoke against the 24/7 business hours. Stakeholder, Richard Angarola also spoke against the 24/7 hours. Stakeholder Riva Martin had written a letter to the office of the Zoning Administrator, and had copies for other stakeholders to pick up.

Land-Use Chair told how the Committee had met on May 13, 2013, and discussed the matter and their Recommendation to the Board.7 The recommendation was discussed and Chuck Loring moved to accept (the shorter hours 7am to 11pm) and the motion was seconded by Florence Dorick. The Board vote was 8-yes, 0-no, 2-abstain.

6 At the conclusion of the meeting Jeffrey Garner gave the two banners to Sarah Ramsawack for the delivery to the two schools in the fall after school classes resume August 13, 2013.

7 Attached is the Recommendation presented in writing to the Board for the vote.
Item #10 on the Agenda--Treasurer Report

Jeffrey Garner, Treasurer said that the movie night for $1,800 requires a Demand Warrant, and that effective now, May 16, 2013, that every expense must have a motion for every purchase. The treasurer’s report shows an unspent balance of $4,453.03.

The credit card purchases for statement ending on 04-22-13, shows that we spent $4,597.84. Ben Moore moved to accept the credit card statement from US Bank. Zeke Barragan seconded and the vote was 10-yes, 0-no, and 0-abstains.

8 (Letter per page #1 of these Minutes to be attached to final Minutes.)
Ronald Cross moved that our Neighborhood Council give an additional $1,000\(^9\) to the support of the CONGRESS of Neighborhood Councils held at the City Hall on Saturday, September 28, 2013, and Inez T. Morin seconded the motion. After discussion the vote for an additional $1,000 to the Congress passed with 10-yes, 0-no, and 0-abstain.

Jeffrey Garner, Treasurer used a special Resolution form to accompany this deduction from our account by DONE. By moving funds from our NC budget line #208 in amount of $500, and from line #401 in amount of $500, we can support the Congress in the amount of $1,000.

The expense of the work done by the NC Budget Advocates also needed a special Resolution for our support. In the above motion Ron Cross also moved to support the Budget Advocates in the amount of $1,000 from line #202 and the second was by Inez T. Morin.

Again, this uses a special Resolution form for DONE to deduct the $1,000 from our account for the Budget Advocates. After discussion the vote to approve was 10-yes, 0-no, and 0-abstain.

**Item #16 on the Agenda--Streamlining the agenda and prioritizing items**

Ben Moore stated that the use of the Speakers Cards was helpful in time management and that the new clock is helpful in timing the speaking time.

**Item #17 on the Agenda--the Budget for the City of Los Angeles**

Sarah Ramsawack spoke about the continued meetings in the City Council with the Budget and Finance Committee. We have to wait for it to go to the 15 City Council Members and then signed by the Mayor for the final answer concerning the next fiscal year for the Neighborhood Council allotments. We hope it will not be less than the current $37,000.

**Item #18 on the Agenda--Items for the next meeting on June 20, 2013**

President Moscoso said we had to now focus on how we use the next fiscal year which begins on July 1, 2013, to end on June 30, 2014.

Sarah Ramsawack spoke again about the need to assess the posting locations for the most beneficial exposure and results and procedures on the next agenda.

---

\(^9\) We had already passed a motion to support the Congress for $500 on March 21, 2013.
Zeke Barragan made the motion to adjourn and Ron Cross seconded. It was by consensus that the meeting adjourned at 9:40pm until the Special Meeting on May 29, 2013, and the next Regular Meeting on June 20, 2013.

Respectfully submitted,

SARAH RAMSAWACK, Secretary

Attention: Patrick Kanan, Director

Dear Mr. Kanan:

We are glad that you and your associate Evan Nakamura attended our regular board meeting on May 16, 2013, and brought to our attention the need for a batting cage for the youth that are learning how to play baseball at the Valley Plaza Park.

We understand that the cage, including the labor charges may total some $28,000, and that you are hoping that this goal may be accomplished by partnerships with several of the adjacent and affected Neighborhood Councils.

This letter is to state that we have made the motion on May 16, 2013, to draft a letter with our plan to fund up to $2,500 after July 1, 2013. That motion did pass, which means that this Neighborhood Council plans to be one of your partners toward the goal of the acquisition of the batting cage.

Sincerely,

Ernie Moscoso, President

The property owner for commercially zoned property at 7955 Laurel Canyon Blvd., North Hollywood, Ca, has applied to the City of Los Angeles, and has complied with all requirements to remove the existing 76 Gas Station, and replace it with a 7-Eleven convenience store.

The property owner has requested from the City of Los Angeles for a CUP, CONDITIONAL USE PERMIT to conduct business on a 24/7 basis, i.e., to operate business 24 hours daily, 7 days per week.

The Motion before the Board of the Neighborhood Council is to accept or reject the recommendation determined by the Land-Use Committee.

All that the Board is voting on tonight is the recommendation.

In denying the CUP for a 24/7 store, the Committee recommends that business hours be only 7am to 11pm.
