**DISCUSSION ON UPCOMING EVENTS**
Chairman HEARD opened the floor for discussion.

**11/2 Photo Shoot**
Chairman HEARD reminded everyone about the upcoming neighborhood photo shoot on 11/5 and for everyone to reach out to neighborhood members, and that it was included in the e-blasts for the prior week and this week. Photoshoot to be located at Valley Plaza Park for upcoming advertising opportunities.

**Forum Series - 11/30**
Chairman HEARD reminded everyone about the upcoming first forum in our 2016-2017 Forum Series. City Councilman Paul Krekorian will be a panelist as well as the Deputy City Attorney.

HARRIS asked if we could add a personal stakeholder panelist onto the panel, HEARD said if we could get a panelist we could add them. HARRIS then wanted to know what topics would be discussed and if we’d be discussing homelessness issues. HEARD reminded everyone that the focus would be on immigration, violence, and community relations but that homelessness issues would likely come up in public Q&A and that we have a whole forum series focused on Homelessness in February. HARRIS suggested that we add Mental Health to one of the forums. Committee decided to change the February Forum to *Homelessness and Mental Health*. HEARD said he would also add to the website and the e-blast an opportunity for stakeholders to send in questions to ask during the forum.

**Holiday Event - 12/3**
HARRIS updated everyone on the status of the *Holiday In the Oaks* event. NoHo West Outreach Chair ROSE talked about ways we could partner if they received the information in time, but that it may be difficult to get support this late in the game. HARRIS talked about needs for food and talent options. ROSE suggested working with Hope of the Valley Kitchen Program for prepared meals at an appropriate cost. Committee discussed food, t-shirts, and appropriate entertainment. NoHo West agreed to Co-Sponsor Event pending approval. HEARD said he would work with the Treasurer to get all necessary paperwork completed.
