Public School Students / High Quality Public Education / Civil Right

November 10, 2021

The North Hollywood Northeast Neighborhood Council supports Council File 21-0002-S16, a resolution adopted to guarantee high quality public education to students in Los Angeles. On June 22, 2020 the LAUSD unanimously adopted a *Student Bill of Rights*, establishing that “In LA Unified, the right to a quality education is a basic right of all students,” elaborating that “For all students to have a quality education, they also have the right to be taught by a highly qualified and skilled teacher,” THEREFORE, the North Hollywood Northeast Neighborhood Council stands in concurrence with the Mayor and LA City Council, and agrees that the City of Los Angeles should include its 2021-2022 State Legislative Program SUPPORT for any legislation that would guarantee public school students their civil right to a high quality public education.
