ARTICLE IV: PARLIAMENTARY AUTHORITY

Section 1: Description

Except as set forth below, and unless suspended by a vote of the Council, Roberts Rules of Order

(Revised) shall be the parliamentary authority at meetings of the Council, to the extent the Brown Act is silent. Motions before the Council shall generally proceed, as follows:

A. Prior Discussion. At the discretion of the Chair, discussion on a matter may occur before a motion is made.

B. Presentation by the Moving Party. The presenter of the motion may make a brief statement, summarizing the issue and the salient points for discussion.

C. Motion and Second. The moving party states the motion (e.g., "I move that . . ."). The motion must be seconded by another member of the Council in order to move forward (e.g., "I second the motion").

D. Comments by the Council. Once the motion is made and seconded, the Chair will "state the question" (i.e., restate the motion, "It has been moved and seconded that . . .") and call for comments by Council members. The Chair will determine the order of the speakers. Speakers should address their remarks to the Chair, although the Chair may allow limited and relevant questions to be presented to the moving party (e.g., to clarify aspects of the motion). Members should not engage in a dialogue with the moving party or other Council members, unless specifically authorized by the Chair. No member may speak twice to the same issue until every other member wishing to speak has spoken to it once. The Chair may call upon the moving party at any time to respond to questions or address comments made by Council members.

E. Public Comments. Following discussion by the Council, the Chair will call for comments by the public. Each speaker generally will be limited to three minutes, although the Chair may choose to extend that period for any person. The public comment period is not meant to be a dialogue between stakeholders and the moving party or other members of the Council. The Chair may extend or limit the period of public comment and individual comments depending on the number of speakers, the time allocated for the meeting, the number of agenda items, the complexity of each item, and other circumstances.

F. Friendly Amendments. Once a motion has been made and seconded, the maker of the motion may elect to amend the motion (e.g., at the suggestion of another member). This can be done before or after the Chair states the question. If the motion is amended, it must receive a new second in order to move forward to a vote. If seconded, the Chair will restate the motion, as amended, and may allow further comments from the Council and/or the public on the motion, as amended. If an amended motion does not receive a second, the maker may either proceed with a vote on the original motion or may withdraw the motion.

G. Conflicts of Interest. Persons who have a conflict of interest in connection with any motion shall make that conflict known to the Council prior to any vote and shall abstain from any discussion and voting on the motion. A record of the notice of conflict and the member's abstention on the vote shall be noted in the minutes of the meeting. Closing the Debate and Voting. Any member of the Council may move to close the debate or to limit the number or

length of comments. Otherwise, the Chair may ask for closing remarks (if any) from the moving party and/or may “put the question” (i.e., call for a vote) following the comment period (e.g., “All those in favor of the motion, please raise your hands”). The Chair may call for a voice vote or a show of hands.

H. Record of Votes. The number of votes favoring, opposing, and abstaining on a motion will be announced by the Chair and included in the minutes of the meeting.

I. Presiding Chair. The presiding Chair may not enter into the debate of any motion before the Council, except to suggest that a particular motion or second be made by a member of the Council, to seek clarification of the motion, or to request information. The presiding Chair may not vote on any motion before the Council unless his or her vote would affect the outcome, in which case (s) he can either vote and affect the outcome or abstain from voting. The Chair shall be counted in the number of members present in determining whether there is a quorum.

J. Unanimous Consent. In situations where there appears to be unanimity on a matter before the Council, the Chair may ask if there is any objection to a proposed action (e.g., “Is there any objection to . . .”). If there is no objection, the Chair can disregard the steps of stating the question and putting the question to a formal vote (“Since there is no objection, then . . .”).

K. These meeting procedures may be amended, suspended and/or supplemented from time to time by a vote of the Governing Council.

Section 2: Time-limitations

A) During public comment, each public speaker is limited to no more than 3 minutes of comments per specific agenda item or during the general public comments period.

B) In the event that there are too many speakers on an item to accommodate within the given time-frame allocated to the item, the President may limit the time further to allow each speaker to have a chance to comment, have speakers cards written into the public record or to conduct a straw poll as is necessary to receive comments from stakeholders.

C) Each Council member has no more than 5 minutes on each agenda item or during Council member comment. Add parliamentary procedure here
