

North Hollywood North East Neighborhood Council

COMMUNITY IMPACT STATEMENT IN SUPPORT OF COUNCIL FILE 02-0090

AVAILABLE FACILITY RESOURCES / NEIGHBORHOOD EMPOWERMENT

December 13, 2023

On October 29, 2002 the City Council adopted the report from the Education and Neighborhoods Committee ([CF 02-0090](#)). The North Hollywood North East Neighborhood Council (NHNENC) fully supports the motion.

Though this instruction is from over 21 years ago, Neighborhood Councils still need help in finding appropriate spaces to meet, and updated instructions to all City departments to offer meeting facilities to NCs free of charge for official City meetings.

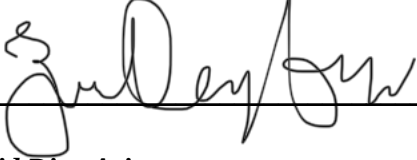

We also request that DONE reach back out to LAUSD to determine the amount and availability of public meeting rooms at schools throughout the City that Neighborhood Councils can use for free, as that is not the case now. Given their placements in our community, a school site location might be the best choice for the stakeholders to have access to their Neighborhood Council meetings and representatives.

The instructions of this motion also included that the Department of Neighborhood Empowerment (DONE) was to coordinate the data received from these departments and place the information on their web-site. The last update reflected is from 2018. [Accessible Locations for Neighborhood Council Meetings](#)

The NHNENC respectfully requests that the Council instruct the Department of Neighborhood Empowerment to develop an updated listing of every meeting room in every City facility and keep this list updated annually.

Thank you,

North Hollywood North East Neighborhood Council
