COMMUNITY IMPACT STATEMENT IN SUPPORT OF COUNCIL FILE 22-0928

*Place-Based Interventions / Housing / Persons Experiencing Homelessness / Los Angeles
Homeless Services Authority (LAHSA)*

December 13, 2023

On November 30, 2022 the City Council voted to adopt the Homelessness & Poverty Committee report ([CF 22-0928](#)). The North Hollywood North East Neighborhood Council (NHNENC) fully supports the actions that were approved.

However, we are concerned with the lack of transparency of the follow thru of the actions that were supposed to happen.

The LAHSA was to report quarterly for one year following any place-based intervention in the City; and improving the City's policies regarding such interventions; and related matters; there is no report attached to the [Council File](#).

The NHNENC respectfully requests more transparency on the number of permanent support housing units and interim housing beds within North Hollywood and the occupancy rates of these facilities on an ongoing periodic basis, either monthly or at least quarterly. These reports should be available to access electronically.

Thank you,

North Hollywood North East Neighborhood Council
