To the candidates for Council District 2,

We'd like to formally recommend that you consider retaining the current staff of the council district office, including by not limited to Lorraine Diaz, Arus Grigoryan, and Jackie Keene. Over their years of service, they have been excellent support to our neighborhood council, going above and beyond time and time again to provide us swift answers to questions, resource contacts when needed, and general support to our projects and constituents. We deeply value their dedication to our community, and hope we can continue working together even as our councilmember changes.

Thank you for your consideration,

Sincerely,

The North Hollywood Northeast Neighborhood Council
