10	Discussion and possible action: Initiation of several response measures to mitigate the impact of the Valley Plaza Park parking lot closure for two years during the LADWP ongoing renovation project to commercial vendors and area businesses, adjacent residents and neighbors, and parking and traffic. Mel Futrell, H&T committee chair: Sponsor
11	Discuss and possible Action: Approve a Community Impact Statement (CIS) in support of Council Files 25-0207 and 26-1347 if amended, requesting that the City publish a monthly downloadable list of City-funded interim housing sites showing each site's ID number (per CF 26-0090), total beds, beds offline, population served, referral process, and date last updated. The list would contain no personal information, no counts under 11 people, and no address or location details for domestic violence, youth, or confidential sites. The same CIS text will be filed on both Council Files. <i>"The North Hollywood Northeast Neighborhood Council supports Council Files 25-0207 and 26-1347 and asks for one addition. We ask that the City publish a monthly download that lists each City-funded interim housing site with its ID number from Council File 26-0090, total beds, beds offline, who the site serves and how people are referred, and the date it was last updated. It should include no personal information and no counts under 11 people, and it should leave out the address and location details of any domestic violence or youth site, or any site that asks to stay confidential. LAHSA already posts bed counts by program online, but there is no download, the table hides program names, and it does not show who each site serves. This list would help outreach workers and families find a bed that fits their needs."</i>	Pres. Diaz-Arias/ CM Futrell/ Bowe Lubin
