Board Business		
5	**Discussion and possible action:** Approve a Community Impact Statement (CIS) for Council File 26-1555 regarding a study of monthly LADWP billing and a possible smart meter pilot. The CIS asks that the study also address estimated bills and large catch-up bills, including clearer notice, earlier meter readings, and relief options for customers. **Position: FOR, IF AMENDED**	Parli. Ford / VP Clark
6	**Discussion and possible action:** Approve a Community Impact Statement (CIS) for Council File 26-1504 regarding rising LADWP water and electricity rates and estimated or missed bills. The CIS asks for an independent review of catch-up bills, refunds for overcharged customers, and a public hearing on the findings **Position: FOR, IF AMENDED**	Parli. Ford / VP Clark

7	**Discussion and possible action:** Approve a Request for Action (RFA) supporting a special election, so voters choose who fills a vacant City Council seat, including the current vacancy in Council District 4 (CD4). The RFA supports Councilmember Nazarian's statement: "There should absolutely be a special election for the vacant CD4 seat. The residents of that district deserve a say in who represents them, and it would be undemocratic to let a handful of councilmembers make such a consequential decision on behalf of hundreds of thousands of Angelenos." ***Background**: Under City Charter Section 409, the City Council can call a special election to fill a vacant seat and name a non-voting caretaker in the meantime. The Council can also appoint an interim replacement with voting power who holds the seat until a special election is held and the results are final.* **Position: FOR/SUPPORT**	VP Clark
8	**Discussion and possible action:** Approve a Request for Action (RFA) opposing the City Council, or any government body, taking a "ceremonial vote" on an item before hearing public comment. The RFA states: "The NHNENC is AGAINST City Council or any government body taking a 'ceremonial vote' before hearing Public Comment on any item, but especially on an item that is already included in a motion." ***Background**: At its November 6, 2026 meeting, the LA City Council took a ceremonial vote before hearing public comment on Council File 26-1575, Rename Slauson Connect Center to Curren D. Price, Jr. Youth and Community Center. Meeting video (ceremonial vote at timestamp 3:19:00): https://www.youtube.com/live/BseGLefnkvE?is=rYzDGZsZGAZuTbYm* **Position: FOR/SUPPORT**	VP Clark

FUNDING ACTIONS LOG: The Funding Actions Log is a grouped section of funding-related items on the agenda that may be approved by a single Board vote. Unlike the Consent Calendar, items in the Funding Actions Log are open for full Board discussion and public comment prior to action. Any item can be pulled for separate discussion or vote at the request of a Board Member.

"VOTE RECORD" COMMUNITY IMPACT STATEMENT (CIS): A *Vote Record* CIS is a formal submission made by a Neighborhood Council to the City of Los Angeles that documents the outcome of a Board vote in support of or in opposition to a Council File, without submitting a written letter or detailed explanation. This type of CIS only includes the vote tally (yes/no/abstain/recused/ineligible) and reflects the official position of the elected Board.

PUBLIC INPUT AT NEIGHBORHOOD COUNCIL MEETINGS: The public is requested to fill out a "Speaker Card" to address the Board on any agenda item before the Board takes an action on an item. Comments from the public on agenda items will be heard only when the respective item is being considered. Comments from the public on other matters not appearing on the agenda that are within the Board's jurisdiction will be heard during the General Public Comment

period. Please note that under the Brown Act, the Board is prevented from acting on a matter that you bring to its attention during the General Public Comment period; however, the issue raised by a member of the public may become the subject of a future Board meeting. Public comment is limited to 3 minutes per speaker unless adjusted by the presiding officer of the Board.
